General awareness

- The XXIV FIGO World Congress of Gynecology and Obstetrics (FIGO Paris 2023) will take place 9–12 October 2023 at the Paris Convention Centre, Paris, France. Post-Congress workshops will take place on 13 October 2023.
- Over 8,000 delegates are expected to attend, including representatives of FIGO's 130+ member societies, obstetricians, gynaecologists, midwives, nurses, advocates, decision makers and other specialists in the field of women's health and rights.
- Registration will open in January 2023.

Abstract and session submissions

- The Scientific Programme Committee invites the submission of scientific sessions, hands-on simulation labs, post-Congress workshops, abstract papers and videos for the film festival for presentation at the FIGO 2023 World Congress.
- The deadline for submission is 21 November 2022, 23:59 (UTC). Full guidelines can be found at www.figo2023.org.
- Accepted abstracts will be presented as either oral abstracts or e-posters. They will also be published together in a supplement to FIGO's International Journal of Gynecology and Obstetrics (IJGO).
- New for FIGO Paris 2023, the film festival will showcase high-quality videos addressing a range of topics, from short 10-minute surgical procedures to one-hour advocacy

documentaries. Submitters will share a short description of their film and if this is accepted by the Scientific Programme Committee, they will then be able to submit the film itself for review.

- Submitting a session provides organisations and individuals with a unique opportunity to shape and take part in FIGO Paris 2023's scientific programme. Proposals will be accepted for: scientific sessions, hands-on simulation labs, post-Congress workshops.
